

The Silvus family

Designed by
Roger Duffy

Inspired by the optical effects of water and light in the forest, Silvus evokes the gentle motion of water across foliage and the qualities of light filtered through the forest canopy.

Silvus24, Silvus30
 exterior/interior sconce

24" or 30" tall, direct/indirect light for use indoors or outdoors. Can be used in a wide range of applications—single unit, group, or field.

Above left: Silvus24 exterior/interior sconce in 1, 2, and 3-unit high configurations. *Above right:* Silvus30 interior/exterior

sconce in 1, 2, and 3-unit high configurations. LED: various colors created from RGB LEDs.
